

# BIBLE ORDER FORM

## Grades 2 – 5

NEW THIS YEAR! Grades two through five will be using the English Standard Version of the Bible in conjunction with the new Religion curriculum “One in Christ”. This recent translation of the Bible will be used in the study of God’s Word in Religion class and will enable the teacher to have everyone on the same page reading the same wording. This version of the Bible is easy to understand and is certainly “true to the intent of the scriptures.” The Lutheran church has adopted this translation for all of the materials that it is producing. The bible becomes the property of the student, and if cared for properly can last for many years to come! We are able to maintain the cost at a very reasonable rate - \$10.00.

## Grades 6 – 8

The New International Version of the Holy Bible works in conjunction with our Religion curriculum of Grace Lutheran called “Voyages.” This translation of the Bible will continue to be used with the Middle School students until next year, when they will begin to utilize the newer Religion Curriculum. The bible becomes the property of the student, and if cared for properly can last for many years to come! The NIV Worship Edition Bible has adequate print size, easy-to-locate bold verse numbers, and page numbers displayed for convenient reference. The cost is very reasonable - \$10.00.

Please fill out the form below and bring or send it to the school office with your \$10.00. If you wish, you can give this form and \$10.00 to your child’s teacher (grades 2—8) when he/she comes for the home visit. The orders will be filled immediately. Your child will receive the ordered Bible on the first day of school with his/her name written on the presentation page.
