A twice weekly (Mondays and Thursdays) after school tutoring program for students in grades one through five identified as needing extra assistance in either reading or math.

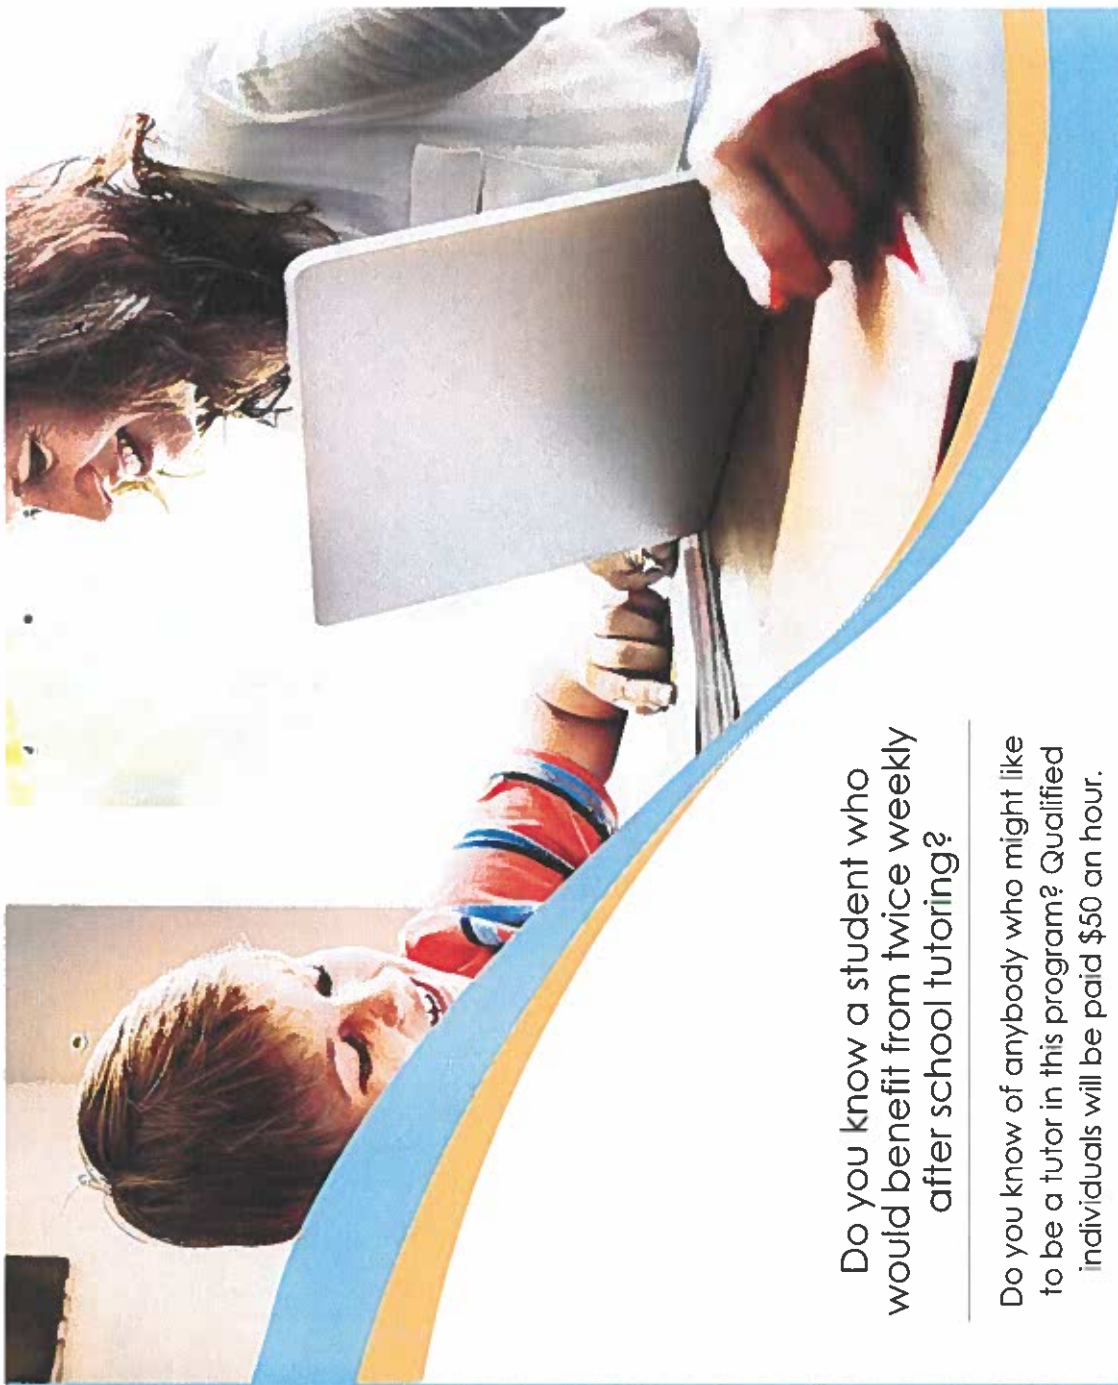

Do you know a student who would benefit from twice weekly after school tutoring?

Do you know of anybody who might like to be a tutor in this program? Qualified individuals will be paid \$50 an hour.

teacher referrals by September 15th
student referrals by September 16th

Grace Lutheran School would like to offer its students every opportunity to reach their potential. This tutoring program will help in that endeavor.

The LCEF grant the school was awarded will allow this program to be available at a reduced cost to parents.

Students can be enrolled in this program based on scoring at or below the 25th percentile on MAP and/or teacher recommendation.

Identified students will receive either 30-minute or 60-minute sessions with a qualified teacher on Mondays and Thursdays between 3:15pm and 5:15pm. After care with homework help will be available to those parents who wish to pick their child up at 5:15pm.

The tutor will work closely with the student's homeroom teacher to identify skills that need to be improved.

The program will operate from October through early May.
